DD/S&T-2035-63

8 November 1963

MEMORANDUM FOR: Director of Security

ATTENTION: Chief, PSD

SUBJECT: Accelerated Security Processing for
[REDACTED]

25X1A

25X1A

1. [REDACTED] is now in processing for a staff position in the Office of Computer Services, DD/S&T. As his services are urgently needed on a priority operational program, it is essential that everything possible be done to expedite his Top Secret security investigation.

25X1A

2. [REDACTED] is now scheduled for pre-employment examination on 25, 26, 27 November. It will be most desirable if the security field investigation can be completed by that time.

Approved by
[REDACTED]
EDWARD B. GILLER
Assistant Deputy Director
(Science and Technology)
